

"Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Libraries change lives for the better."

—Sidney Sheldon

The Dover Town Library is so much more than a place to check out books: it's a hub for community connection, bringing enrichment for citizens of all ages.

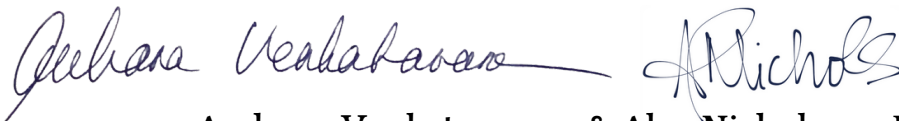

It's a friendly neighbor who's always happy to lend a rice cooker, carpet cleaner, and so much more. And yes, it's a place to explore and immerse in all kinds of literature, from the latest books and beloved classics, to newspapers from around the world, to audio and video entertainment.

The Dover Town Library exists as this magical place because of your generous support. Your donations are crucial to the Library's quality, and fund museum passes, hospitality items, online databases, and special events - all at no cost to our library card holders. In the past year alone:

- 402 museum passes were picked up by patrons to explore world-class institutions like the New England Aquarium, Museum of Science, Institute of Contemporary Art, Isabella Stewart Gardner Museum, and many more!
- 24,450 patrons attended 418 programs, including the ever popular Super Awesome Fun Time, children's poetry courses, Big Truck Day, "What's It Worth" with Ken Gloss, pumpkin floral arrangements, and much more!
- More than 3,000 hot beverages and countless mints were consumed by Library patrons.

Please support our beloved Library with a tax deductible donation to the Friends of the Dover Town Library. Together, we can ensure our Library continues to enrich, entertain, and provide life-long learning to all members of the community.
